Open Burn Vegetative Waste Standard Conditions

1. The permission to burn in no way relieves the permittee of their obligation to comply with any other local, state, or federal rules or regulations.
2. This application becomes the burn permit once signed by the designated District representative.
3. A representative/employee of permittee shall be present during all burning to ensure compliance with this permit and to make certain the fire(s) are out after 5:00pm.
4. Only tree trunks, tree limbs, leaves, and brush originating on the site may be burned.
5. The distance from the burn site to the nearest occupied structure (residence or business) must be greater than 200 yards.
6. Burning will take place only between 7:00am and 5:00pm.
7. Should a problem arise from the burning, such as public health hazard, nuisance, or a hazard to vehicular traffic, the permittee must correct the problem immediately.
8. This permit is effective for 5 days from the date issued.
9. The permit will be revoked immediately for failure to fully comply with any of the conditions and restrictions.
10. The permittee shall notify and receive permission from the fire district each day before starting any burning.
11. Any other permits required by the State of Missouri Department of Natural Resource (i.e., NPDES Land disturbance Permits) must be applied for and obtained. Failure to do so may result in termination of this permit.
12. Permittee authorizes Fire District personnel to enter the site at any time during the term of this permit for inspections and permit compliance determinations.
